Pragma Systems - Capability Statement

With more than 20 years solely focused in the Windows based Telnet and SSH space, Pragma Systems has achieved a level of technical knowledge, domain expertise and industry experience to lead the market in the effectiveness and extensibility of its software solutions. We are the market leader relative to Windows based SSH, SFTP, SCP server and client technologies. Pragma Systems provides remote access and connectivity solutions that fundamentally solve the security challenges associated with remote management, file transfer, and application delivery across a networked environment.

Pragma Systems - Vendor Codes and Contract Availability

• We accept Purchase Orders, Credit and Purchase Cards	

Past Performance		
Customer	**Description of Deployed Technology**	**Implementation Date**
Department of Health and Human Services	Pragma Fortress SSH (Secure Shell) for Windows	2006
Department of Treasury	Pragma Telnet Server for remote management of geographically disperse Windows servers and clients	2007
National Institutes of Health	Migration from telnet to SSH server for secure file transfer of patient health information (PHI) for HIPAA compliance	2005
Sandia National Laboratories	Secure handheld client SSH access to critical data systems accessed by SNL and vendor/partner resources	2009
SCAQMD	Pragma Telnet Server for remote management of geographically disperse Windows servers and clients	2007
Social Security Administration	Pragma Fortress SSH (Secure Shell) for Windows	2002
US Air Force	Secure client and server file transfer and access for Windows	2008
US ARMY	Base lined as part of WIN-T increment 2 and increment 3 program for SCP access to Cisco routers	2008
ARMY HQ 21st TAA	SSH access to web based systems for external vendor access	2010
US Navy	Pragma Fortress SSH (Secure Shell) for Windows	2008

Government Customers	Location
US Army MEPCOM	Chicago, Illinois
US Army Red River Depot	Texarkana, Texas
US Army Corpus Christi Depot	Corpus Christi, Texas
US Army Ft. Huachuca	Ft. Huachuca, Arizona
US Army MC4 Ft. Detrick	Ft. Detrick, Maryland
US Army Ft. Belvoir	Ft. Belvoir, Virginia
US Army Research Office	Research Triangle Park, North Carolina
Department of the Army, NEC, Detroit Arsenal	Detroit, Michigan
Department of Veteran Affairs	Chicago, Illinois
F.D.I.C.	Arlington, Virginia
Florida Department of State	Tallahassee, Florida
Georgia Department of Revenue	Atlanta, Georgia
Indiana State Department of Health	Indianapolis, Indiana
Missouri Department of Transportation	Jefferson City, Missouri
Oregon Department of Agriculture	Salem, Oregon
US Department of Commerce	Kansas City, Missouri

Differentiators

- **Listed** on the Department of Defense (DoD) **Unified Capabilities Approved Products List (UC APL)** and passed the U.S. Army Technology Integration Center's strenuous testing requirements and rigorous standards
- Pragma Systems is the **ONLY SSH Server available today** that holds it's own FIPS 140-2 certificate (# 1500) for Windows Server 2003 and Windows Server 2008 as issued by the CMVP (Cryptographic Module Validation Program)
- Only SSH technology that is fully certified across all areas of Windows
- Extremely fast file transfer speeds
- Most intuitive, easy to use/set up for immediate secure access from Windows to Windows, Unix, Linux, MAC based systems
- Secure remote access and copy between Windows and industrial rugged handheld devices
- Extremely cost effective, with government preferred discount price structures

Company Data

Pragma Systems Inc. is a leading provider of enterprise class remote access and security software for Microsoft Windows & Windows Mobile platforms. Pragma is an industry leader in Secure Shell and Telnet technology and offers the most popular SSH and TelnetServer for Windows. The company's end-to-end solutions of servers and clients on the desktop and mobile devices provide highly secure access to corporate supply chain, CRM, distribution and warehouse applications over wireless, Bluetooth, LAN, WAN and mobile networks. For more information contact Pragma Systems, Inc, 512-219-7270; email: pragma@pragmasys.com; visit www.pragmasys.com.
